KEYS COVE II COMMUNITY DEVELOPMENT DISTRICT REGULAR BOARD MEETING MAY 10, 2023

A. CALL TO ORDER

District Manager Armando Silva called the May 10, 2023, Regular Board Meeting of the Keys Cove II Community Development District (the "District") to order at 12:10 p.m. in the Palm Breeze Clubhouse located at 1427 SE 24th Place, Homestead, Florida 33035.

B. PROOF OF PUBLICATION

Mr. Silva presented proof of publication that notice of the Regular Board Meeting had been published in the *Miami Daily Business Review* on September 30, 2023, as part of the District's fiscal year 2023/2024 meeting schedule, *as legally required*.

C. ESTABLISH A QUORUM

Mr. Silva determined that the attendance of Chairperson Melony Fogelstrom, Vice Chairperson Janine Ferreiro and Supervisors Cynthia Portillo constituted a quorum.

Staff in attendance: District Manager Armando Silva of Special District Services, Inc.; and General Counsel Gregory George of Billing, Cochran, Lyles, Mauro & Ramsey, P.A.

Others in attendance: Lorna Sterling, Miami, FL.

D. ADDITIONS OR DELETIONS TO THE AGENDA

There are no additions or deletions to the agenda.

E. COMMENTS FROM THE PUBLIC FOR ITEMS NOT ON THE AGENDA

There were no comments from the public for items not on the agenda.

F. APPROVAL OF MINUTES

1. February 28, 2023, Special Board Meeting

Mr. Silva presented the minutes of the February 28, 2023, Special Board Meeting and asked if there were any changes. A **motion** was made by Ms. Fogelstrom, seconded by Ms. Portillo and unanimously passed to approve the minutes of the February 28, 2023, Special Board Meeting, *as amended*, correcting the name "Mr. Ferreiro" to "Ms. Ferreiro" on C.2.; and correcting "Seat 35" to "Seat 5" on C.7.

G. OLD BUSINESS

1. Maverick Security Update – Vehicle Decal Registration

Mr. Silva informed the Board members that the District had provided the Property Managers with a deadline of March 15th for the registration of vehicle decals into the SOS System. Unfortunately, property managers have had some difficulties in obtaining the requested information from residents so the number of entries into the SOS System are still low. A discussion ensued after which the Board consensus was to

direct the District Manager to disconnect the resident card reader by the end of June to force residents to register their vehicle information into the SOS System to obtain a barcode decal. In addition to this, the District will discuss taking over the registration of information into the SOS System, if no progress is noted by the next meeting.

2. Update Regarding Playground

Mr. Silva advised that the permitting process is still ongoing. The City of Homestead ("City") has advised the playground installation contractor that there is a tree located in the vicinity of the playground that may need to be removed. Instead of having to remove the tree, the playground contractor is attempting to redesign the playground to allow for the integration of the tree within the City approved area. The City tree removal permit process is long and will be an extra expense per the playground installation contractor. More information regarding this topic will be provided at the upcoming meeting.

H. NEW BUSINESS

1. Discussion Regarding Security Concerns and Potential Rover Service

Mr. Silva shared the following correspondence from Daniel Lazoff of IMC Equity Group (Seascape Pointe Owners):

From: Daniel Lazoff [mailto:daniel.lazoff@imcequitygroup.com]

Sent: Wednesday, April 19, 2023 8:51 AM **To:** Armando Silva <asilva@sdsinc.org>

Subject: Security Issue - Seascape Pointe

Armando,

We are facing serious security issues at Seascape Pointe. Unfortunately, the security we have in place now that is shared with the entire Keys Gate Association is not sufficient to ensure safety. We have multiple reports of drug sales, formation of gangs, teenagers beating up people at the property, and property damage at the hands of these proclaimed "gangs" that are causing havoc at the property at night, including jumping on cars. The Keys Gate security guard that goes around in a rover is only seen at Seascape Pointe about 2-3 times between 8am-5pm. We do not know how often the guard is present at night when the security issues are taking place, but assuming it is at the same rate as during the day, a car driving by the property 2-3 times per night is absolutely not enough for Seascape Pointe. It is my understanding that the Towns of Seascape face similar issues and also want increased security.

I believe the only solution is for the CDD to have its dedicated security guard that only patrols the CDD so there is a more consistent security presence. Please let me know if we can do this, and in turn eliminate the security offered by the Keys Gate Association.

Daniel Lazoff 696 NE 125th St North Miami, Florida 33161 Direct (Cell): 787-308-3817

Mr. Silva asked the Board if they would like for the District Manager to inquire regarding the cost of 24 hour/7 days per week security rover services for the District. A discussion ensued after which the Board requested Mr. Silva to inquire regarding the cost of hiring an off-duty police officer as they have the ability to enforce the law versus a security officer who would have to contact the police in order to address an issue. More information regarding this topic will be presented at an upcoming meeting.
